CAREER OBJECTIVE

Motivated and detail-oriented B.Tech Artificial Intelligence and Data Science graduate (2026) with strong knowledge of Core Java, Object-Oriented Programming, SQL, JDBC, and web technologies including HTML, CSS, and JavaScript. Hands-on experience in developing academic and internship projects using Java, MySQL, Spring Boot, and REST APIs. Passionate about software development, problem-solving, and continuous learning, seeking an entry-level Software Engineer or Java Developer role to contribute technical skills and grow within a dynamic organization.

EDUCATION

B.Tech - Artificial Intelligence And Data Science Engineering CGPA: 8.05

(2022 - 2026)

Hindusthan Institute of Technology, Coimbatore.

TECHNICAL SKILLS

Java

- Strong foundation in Core Java with a solid understanding of Object-Oriented Programming concepts including Inheritance, Encapsulation, Abstraction, and Polymorphism.
- Proficient in Java programming concepts such as Arrays, Strings, Methods, Constructors, Exception Handling, Collections Framework, Multithreading, and Java 8 features including Lambda Expressions and Stream API.
- Familiar with JDBC and Hibernate for building database-driven applications.

Database (SQL)

- Good knowledge of SQL with experience in writing queries using Joins, Subqueries, Aggregate Functions, and Grouping operations.
- Strong understanding of database concepts including Primary Keys, Foreign Keys, and Normalization.
- Familiar with DDL, DML, DCL, and TCL commands, along with operations such as DELETE, TRUNCATE, and DROP.

Web Technologies

- Good knowledge of HTML, CSS, and JavaScript for developing responsive and user-friendly web applications.
- Familiar with DOM Manipulation, Form Validation, Client-Server Communication, and modern web development concepts.
- Basic understanding of React JS and component-based frontend development.

Frameworks & Tools

- Proficient in using Git and GitHub for version control and collaborative development.
- Experienced with development tools such as IntelliJ IDEA, Eclipse IDE, Visual Studio Code, and MySQL Workbench.

PROJECTS

NeuroFleetX - AI-Driven Urban Mobility System | Tech Stack: Java, Spring Boot, MySQL, REST APIs, JWT

- Developed an AI-powered urban mobility platform with fleet management, booking management, and real-time tracking.
- Implemented role-based authentication and secure API access using Spring Security and JWT.
- Integrated intelligent route optimization and predictive maintenance features.

Supermarket Billing System | Tech Stack: Java, MySQL, JDBC

- Developed a desktop-based billing application for managing product sales and inventory.
- Implemented automated bill generation, stock updates, and database integration.
- Enhanced data accuracy through CRUD operations and transaction handling.

Online Book Store | Tech Stack: HTML, CSS, JavaScript

- Developed a responsive web application for browsing and purchasing books.
- Implemented shopping cart functionality, product listing, and user-friendly navigation.
- Applied frontend development concepts to create an interactive user experience.

INTERNSHIP

Infosys Virtual Internship - Java Full Stack Development

(Completed)

- Developed 'NeuroFleetX', an AI-driven urban mobility system using Java Spring Boot, MySQL, and REST APIs.
- Designed key modules including fleet management, real-time tracking, booking system, and role-based authentication using Spring Security and JWT.
- Implemented AI-based route optimization, predictive maintenance, and integrated full-stack architecture for scalable solutions.

CERTIFICATIONS

- Infosys Springboard Virtual Internship Certificate - Java Full Stack Development.
- Coursera Specialization Course: Board Infinity - Java Full Stack Developer Specialization.
- Coursera Specialization Course: IBM - Full Stack Software Developer Specialization.

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief. I understand that any misrepresentation or false information may lead to the cancellation of my candidature.
